FROM THE PRINCIPAL'S DESK

RETIREMENT

This week Ibu Gabi has announced her retirement from Inglewood Primary School at the end of the term. Ibu Gabi has been implementing an outstanding Indonesian language program at Inglewood Primary School for the past nine years. She is starting a new exciting chapter in her life as she is relocating to Adelaide with her family. Ibu Gabi will continue her teaching career however will be retiring from the Department of Education WA. Gabi has given many years of teaching service to many local schools. On behalf of the students, staff and school community we would like to thank Ibu Gabi for her dedication and teaching of Indonesian at Inglewood Primary School. We wish her all the very best in her new journey and I am sure she will continue the lifetime friendships she has made here at Inglewood PS. Thank you for your outstanding teaching service of over 24 years.

FAREWELL TO STAFF

I would like to thank Brianne Burn, the School Chaplain for her wonderful work with students and families at Inglewood Primary School over the past year. She has built some wonderful relationships with students and will be sadly missed. Brianne has been successful in a fulltime appointment to an Independent K -12 school closer to her home. We wish her all the very best in her new appointment.

NEW TEACHING CLASSROOM BLOCK BUILDING UPDATE

The tenders for the new two storey classroom block have closed and the building is due to commence construction at the beginning of Term 3. Room 15 will be moving out of the demountable at the end of week 7 into the current LOTE room (multi purpose classroom) for the remainder of the year. The demountable will be removed from the site at the end of the term. We will keep the school community informed of progress and we are looking forward to the expected completion of the building at the end of Term 1 next year.

RECYCLING 2017

Thank you to all parents, students and teachers for our great efforts to recycle materials and develop steps towards a more sustainable way of living. Last year Inglewood Primary School successfully recycled batteries, oral care products and coffee pods with the help of the parents and students. Sincere thanks to Samantha Thompson who tirelessly posted materials to be recycled throughout the year.

We look forward to your ongoing support in 2017 as we may introduce some other additions to the recycling of waste materials. Coffee pods are still to be delivered to Room 5 and Mrs Sawyer is coordinating, used batteries go to Room 11, Mrs Dransfield. Parents who may be interested in supporting some of these school initiatives please see Mr Baden Wheals in Room 16 or send him an email to offer your assistance (baden.wheals@education.wa.edu.au).

MOTHER'S DAY & NATIONAL WALK SAFELY TO SCHOOL DAY

Thanks to Brooke Arrowsmith and all the parents who assisted with the wonderful Mother's Day stall last week and we hope all the Mums had a great day! Congratulations to the student councillors who helped coordinate the Walk to School Safely Day and the parents who helped provide delicious muffins, fruit and milo to all the students who supported this activity. Well done to our student walkers!

INTERSCHOOL SPORT

On Friday 12 May, a select group of Year 5/6 students competed in the first interschool Winter sports fixture, hosted at Inglewood against Hillcrest. The students competed with enthusiasm and determination and whilst the results have been mixed, all students were proud of their efforts and participated with great sportsmanship. Thank you to all parents and teachers who coached, umpired and spectated and good luck for this week's matches against Hampton PS. Don't forget your oranges for this home game.

Kind regards

Janine Bersan, Principal

Dear Inglewood Parents & Students,

It is with much sadness I tell you all that I have accepted a full time Chaplaincy role at an Independent K-12 school closer to home. I have had a long time interest in working with adolescents and teens yet certainly love K-6 students therefore being able to work with both primary school and high school students in one location every day is a rare opportunity and not something I could pass up. My last day will be 7 June.

The Inglewood PS Community is so special. Starting with the staff and encompassing all the wonderful families, I have loved my time here immensely. I thank those of you who have entrusted your children to me, whether in the capacity of 1:1 time or group work, or just allowing me the privilege of having fun and casual chats with them during recess and lunch...they will all be missed very much.

Thanks and all the best to each one of you! I hope a new Chaplain will be appointed soon to continue to provide additional support to enhance the social and emotional wellbeing of these beautiful students.

Brianne Burn, Chaplain

2018 KINDERGARTEN APPLICATIONS 19 JUNE TO 21 JULY 2017

Inglewood Primary School is a local intake school and under the enrolment policy guidelines children whose place of residence is within the local area for six months into the academic year can complete an application form for enrolment. We are taking these applications from **19 June until the 21 July 2017**. If you choose to submit an application prior to these dates you will be asked to return with current information before your application can go to the next step.

If you live outside our boundaries we recommend that you apply for your local school as in recent years we have not been able to offer places to students out of area. Department policy stipulates that you can only apply at one school, so we would not like you to apply here and miss out on a place at your local school.

2018 PRE-PRIMARY APPLICATIONS 19 JUNE TO 23 JUNE

We will be taking applications from our current kindergarten students into pre-primary during the week, Monday 19 June until Friday 23 June, between 8.30am and 3.30pm. Individual packages will be mailed to parents before this date. All local intake area rules apply as per the above information provided to Kindy parents. If you live outside our local intake area in 2017 you are not guaranteed enrolment. All parents will be notified of the outcome of their application in mid August 2017.

LIBRARY NEWS West Australian Young Readers Book Award

WAYRBA is a readers' choice award organised on a state wide basis for young readers. This year we will be displaying the Younger Readers and Picture Books in our library. All students are invited to read and cast their vote on how they did or did not like a book. All votes will be counted and sent to WAYRBA to determine a winner.

If students have a book they would like to suggest for next year's award, they can fill out a nomination form in the library and I will send it to WAYRBA. The Instructions on how to vote or nominate are in our Library. For more information walk into our school Library and have a look at the books on display.

RECYCLING

At Inglewood Primary School, we have a Sustainability focus and we are aiming to help reduce harmful waste going to landfill. In classes, students will investigate the question of rubbish, waste and landfill. The school has become a recycling centre for:

DIFFICULT TO RECYCLE PRODUCTS.

For the next six months we've chosen 2 products to collect and recycle.

1. Coffee pods - Nespresso or Nescafe only– take to Room 5
2. Batteries - used batteries. Take to Room 11.

This is an ongoing program we have with the City of Stirling. We receive payment for the batteries and use these funds in school programs.

We will weigh our collections and let you know how much we've been able to recycle. Get involved and help save our precious resources and help our planet too!

CHANGE OF DATES Room 5 Assembly has been changed from 16 June to 23 June

Thank you to the P&C for funding for the mud kitchen for the Kindy.

P&C NEWS

UNIFORM UPDATE

All of the remaining *old style* uniforms are being sold for \$3.00 each and are available on the second hand uniform racks Monday and Wednesday from 8.30-8.50am. The racks are in the canteen area of the main school.

Thank you to everyone who has provided feedback regarding the new uniform. At the end of the year we will be asking families about the suitability of the summer and winter uniforms and seeking alternative items if necessary.

P&C MEETING UPDATE

Thank you to everyone who attended, and contributed to, this month's meeting. The P&C is delighted to be funding:

- 32 ukuleles to develop children's singing and rhythmic ability while playing (years 4-6). Thank you for preparing the request Mr G.
- ICT items to develop computational thinking, robotics and coding skills. Thank you Kate Fitzpatrick for presenting how they integrate into the school's Digital Technologies Operational Plan and link to both the Curriculum and School Business Plan. Items include:
 - 18 iPads (Pre-Primary classes), 12 Sphero robots (Years 3-6) and 6 Bee-Bot robots (Kindy, Pre-primary and years 1-3).
 - An additional request for 24 iPads (years 1-3) is being considered against availability of P&C funds.

Next meeting is Tuesday 13 June at 7.00pm.

SCHOOL BANKING HAS ITS REWARDS

Did you know that every time your child makes a school banking deposit they receive a Dollarmite token? Not only are they saving money, but they can save up their tokens to redeem one of the following rewards...

Cyber Handball	Smiley Emoji Keyring
Colour Change Markers	Volt Handball
3D Chalk Set	Pencil + Tech Case
Tablet Case	Epic Earphone

... and don't forget that students who make 15 or more school banking deposits by the end of Term 3, 2017 are automatically entered into the **Future Savers Grand Prize competition** that will take one lucky School Banker and their family (2 adults, 3 children) to Japan to explore **Tokyo Disneyland**.

CANTEEN NEWS

New menu has started. Big thank you to our generous volunteers who helped with walk to school day and the vegetarian recess.

QUIZ NIGHT – FRIDAY 23 JUNE, 7.00PM

Gather your friends and family, book a table, and join us for an evening of fun and games at the Bob Daniel Community Centre (next to the Inglewood Library). Tickets are \$20 per person and tables can fit 8-10 people. There will be lots of prizes, games and a raffle. BYO food or pre-order a pizza. Tea, coffee and drinks (bar service) available.

To nominate your team, buy tickets, and pre-order pizza complete the Quiz Night Order Form (sent home today) and return to the green P&C mailbox in the front office at the main school or the class mailboxes at Kindy and Pre-primary.

For more information contact Lys McLernon 0407 995 787 or Carmen Smith 0409 603 598.

Self Care – Why we must zoom in and out

To develop a successful self-care plan, we must take a holistic approach because a holistic approach recognises the big picture of a better you while not neglecting the smaller pieces needed to complete the puzzle. If we only focus on the big picture (zooming out), we miss the important details. Yet if we focus too much on the details (zooming in), we can get short-sighted and hung up on a few small things rather than being able to appreciate and enjoy the big picture. For simplicity, the three main areas (pieces) of self-care we will address are: (1) Physical, (2) Mental/Spiritual, and (3) Social. These three main areas intertwine and overlap so if we neglect one area then the other areas will ultimately suffer as well.

If wholeness is the goal, we need to take time to examine the pieces and make sure they are undamaged otherwise they won't fit together to complete the puzzle. To start our self-care plan, set aside three sheets of paper. Label the top of one sheet *Physical*, the second sheet *Mental /Spiritual*, and the third sheet *Social*. Then on each sheet make two columns entitled: (1) *Things I am Already Doing* and (2) *Things I Can Improve On / Start Doing*. This fortnight, in the first column on each sheet, write down the things you already do that are examples of self-care in these areas. Over the next few weeks I will talk more about these areas and see where we can focus on improving and making changes to develop a solid self-care plan.
