## FROM THE PRINCIPAL'S DESK

I trust that you had a wonderful long weekend with your families and you had the opportunity to enjoy some of the wonderful activities that were on offer to celebrate WA day.

## PIRATE DAY FRIDAY FREE DRESS DAY

On **Friday 9 June** you will not be sending your child to school but instead you will be sending a PIRATE on a VOYAGE to discover hidden treasure. By participating, your child will be partnered with Telethon Adventurers in their fight with childhood cancer by raising funds for vital research into childhood brain cancer. The day's activities will educate your child about this condition and help develop important values of empathy, leadership and community giving.

Please ensure that your pirate is dressed up and has a gold coin donation. For further information or if you wish to donate yourself, please visit [www.piratedayfriday.org.au](http://www.piratedayfriday.org.au) or give your child more treasure to contribute to the school's treasure chest (donation box).

BE A HERO. BE A PIRATE.  
PIRATE DAY FRIDAY

## ROOM 15 IS ON THE MOVE

On Friday June 9 the students from Room 15 will be working in the library for the morning while removal company workmen shift desks, chairs and furniture to the LOTE multipurpose room. (The classroom located next to the staffroom.) The students will take their personal belongings with them to the library and commence classes in the afternoon back in their new classroom.

## NEW FURNITURE FOR THE PRE-PRIMARY CLASSROOMS

Inglewood Primary School will be receiving a whole classroom of new furniture for the Pre-Primary Centre. The furniture will be distributed amongst the three classes with each class receiving some new adjustable height desks and chairs. The new book cases and outdoor classroom equipment will be used to replace some of the existing furniture which has been well used.

We would like to thank the Department of Education for assisting our school in providing this replacement furniture.

## SEMESTER 2 REPORTS

As Inglewood Primary School will be sending home reports this term via an email link, please ensure the office has your current up to date email address. If you have recently changed your email address, please notify the front office. The School Report link for your child will be sent to both contact one and two from the current school student information records.

## STAFFING CHANGES TERM 3

Yesterday the staff, students and parents said farewell to our chaplain, Mrs Brianne Burn. Brianne has developed wonderful relationships with our students and has helped them to build new friendships at the school. We would like to thank Mrs Burn for all her work.

Congratulations to Ms Vanessa Blythe on her appointment as Principal of Waddington Primary School commencing next term. The Deputy position will be advertised in the coming week and the successful applicant will commence at the beginning of Term 3.

A new LOTE teacher will commence next term to continue the Indonesian language program at Inglewood Primary School for the remainder of the year.

Janine Bersan,  
Principal

### TRASH FREE TUESDAY

Each Tuesday make sure your child brings a trash free lunch box to school. Trash free Tuesday was created by the student councillors to encourage students to eat well and live well, eliminating all unnecessary packaging and wrapping that goes into school lunchboxes. On Tuesdays, the student councillors hand out tokens to students with trash free lunchboxes. Tokens are counted at the end of each week to determine the winner. The winner of this week's Trash Free Tuesday Turtle was Room 11.

### 2018 KINDERGARTEN APPLICATIONS 19 JUNE TO 21 JULY 2017

Inglewood Primary School is a local intake school and under the enrolment policy guidelines children whose place of residence is within the local area for six months into the academic year can complete an application form for enrolment. We are taking these applications from **19 June until the 21 July 2017**. If you choose to submit an application prior to these dates you will be asked to return with current information before your application can go to the next step. If you live outside our boundaries we recommend that you apply for your local school as in recent years we have not been able to offer places to students out of area. Department policy stipulates that you can only apply at one school, so we would not like you to apply here and miss out on a place at your local school.

### 2018 PRE-PRIMARY APPLICATIONS 19 JUNE TO 23 JUNE

We will be taking applications from our current kindergarten students into pre-primary during the week, Monday 19 June until Friday 23 June, between 8.30am and 3.30pm. Individual packages will be mailed to parents before this date. All local intake area rules apply as per the above information provided to Kindy parents. If you live outside our local intake area in 2017 you are not guaranteed enrolment. All parents will be notified of the outcome of their application in mid August 2017.

## P&C NEWS

### SCHOOL BANKING NOW IN THE LIBRARY (MAIN SCHOOL)

From next Tuesday (13 June) School Banking (main school) will be in the **Library** from **8:30-8:50am** and at Pre-Primary (PP4) every Thursday morning.

**Thank you** to our parent volunteers who make school banking possible. If anyone can spare an hour fortnightly (or monthly) to help with the main school or pre-primary banking, please contact Brooke on 0430 424 293.

### FATHERING PROJECT FREE EVENT – SUNDAY 11 JUNE

Gather your children, pack your lunch, grab your water bottles, put on your good walking shoes and join us for a picnic lunch at midday followed by a bushwalk to the Old Railway Tunnel in the John Forrest National Park (commencing at 12.45).

Just 30 minutes from Perth the walk is an easy 5km over flat gravel paths. Parking is on the corner of Swan view Rd and Morrison Rd. To make sure we do not start the walk without your family. Please RSVP Scott Gangell (email: [scott.gangell@cgu.com.au](mailto:scott.gangell@cgu.com.au) or text 0457 941 129) by Saturday, 10 June. The Fathering Project organises events that foster quality time between fathers and their children and enrich everyone's lives.

### CANTEEN REMINDERS

Pre-Primary canteen orders are only for Monday and Thursday and if you order soup for your child on a Wednesday it must be collected from the Canteen – thank you! Thank you also to our wonderful volunteers. We welcome all help, even if you can only spare an hour!

### NEED A NEW ENTERTAINMENT BOOK?

When you purchase a book or digital membership our school receives \$14, so please help us fundraise by sharing this link with your family and friends.

To order a book, visit [www.entbook.com.au/92038g](http://www.entbook.com.au/92038g), provide your child's classroom number, and the book will be delivered to their class or you can go paperless and purchase a Digital Membership and redeem offers by simply showing your phone.

For information, or to place a cash order, contact Carmen Smith on 0409 603 598 or email [carmensmith1@bigpond.com](mailto:carmensmith1@bigpond.com).

### QUIZ NIGHT – FRIDAY 23 JUNE, 7.00PM

This year's Quiz Night tables are booking fast! If you are keen to come along to this fantastic fundraiser that directly supports our children at IPS, please contact Lys McLernon 0407 995 787 or Carmen Smith 0409 603 598 before 15 June (and don't forget to place your pizza orders by this date too!)

### UPCOMING P&C MEETING – 13 JUNE, 7.00PM

All parents and guardians are welcome at all meetings throughout the year.

## CHAPLAIN'S CORNER

**Self-Care – Examining the Pieces** Hopefully you managed to identify in your first column the self-care examples you already do well in the Physical, Mental/Spiritual, and Social Areas. If you missed my previous newsletter pieces, I'd encourage you to catch up because it is all about supporting you amazing parents this term! This fortnight we will focus on possible improvements or adjustments we can make to our lives to increase our wellbeing. To help you with this, here is general information about what each area actually means:

**Physical Self-Care is what we do for the Body.** The most important ways to look after our bodies are to exercise, eat a balanced diet, get enough sleep, drink plenty of water and minimise intake of caffeine and alcohol.

**Mental/Spiritual Self-Care is what we do for the Mind/Heart/Soul** Success in this space means restoring balance to your inner being and emotions. Learn to say "no" to avoid overcommitting, finish something you have been procrastinating, take short moments each day to "smell the roses" (whether this be through mindfulness, meditation, reading, turning off electronics, getting fresh air, etc). The goal is to get to a place where you feel a sense of calm and carry a positive outlook on life.

**Social Self-Care is what we do to maintain healthy and positive Relationships** People are vital to our happiness and health. We need love and affection and to feel a sense of belonging. Research shows that people who are connected enjoy longer life and better overall health. So find people who share your interests or values as these relationships will be positive and meaningful. Following on from last week, this fortnight write down ways you can improve on or change to build up your Self-Care in these areas. If you need any further support or ideas, search the internet, consult your GP or speak with other professionals.

# John Forrest National Park

## John Forrest National Park guide

Originally declared as a conservation reserve in 1898, John Forrest National Park is WA's oldest national park. It became John Forrest National Park in 1947, in honour of the famous explorer and statesman, Sir John Forrest, who was Premier of Western Australia between 1890 and 1901.

The visitor area contains barbecue and picnic facilities, and cultivated gardens of native plants. The rest of the park is home to a variety of plant communities and wildlife.

Several trails run through various parts of the park, including the Railway Heritage Trail, which follows the alignment of the old railway line to York. Visitors can walk through the only historical railway tunnel in WA – the Swan View Tunnel. The Eagle View Walk Trail is a 15km bushwalking circuit that leads to some of the park's less explored areas.

There are outstanding views of Perth and the Swan Coastal Plain from the lookout point on the scenic drive. The park also offers a wide variety of attractions and facilities that make it a popular venue for families and groups.

Surrounding the centrally located ranger's office are rock gardens that lead down to Jane Brook, built by sustenance workers during the Great Depression of the 1930s. The brook has been dammed to create a pleasant pool area, but the water is untreated and swimming is not allowed. Picnic areas and barbecue facilities are provided nearby. Shelters are also provided to allow visitors to enjoy the surrounds all year round.

### Entry fees

Entry fees apply.

### Facilities

- Electric and gas barbecues (no fires allowed at any time)
- Toilets

### Universal access

John Forrest National Park is very well equipped for people in wheelchairs. There are disabled parking bays as well as an accessible toilet and picnic areas. For more detailed information on access, please visit the Access WA website at [www.accesswa.com.au](http://www.accesswa.com.au).

### How to get there

John Forrest National Park is about 30 minutes from Perth. Leave Perth on the Great Eastern Highway. The park lies to the north of the highway and is well signposted. There are three entrances off the highway.

Note: The scenic drive gates on Park Road are locked by 4pm daily. The two other exits on to Great Eastern Highway remain open (as indicated on the map).

### Best time to visit

Autumn, winter and spring.

### What to do

- Bushwalking
- Mountain bike riding (on approved trails only)
- Picnicking
- Wildlife observation – western grey kangaroos are commonly seen around the picnic areas early morning and late afternoon. The park has 10 species of native mammal (one declared rare), 91 species of bird (two considered to be in need of special protection), 23 species of reptile and 10 species of frog.
- Photography
- Visit Hovea and National Park falls

### Walk and cycle trails

- The Railway Reserve Heritage Trail runs through the park for walkers and cyclists to enjoy.

Major features of the Railway Reserve Heritage Trail include:

- Picnic area to National Park Falls is an easy 2km return walk
- Picnic area to Swan View Tunnel is an easy 5km return walk
- Picnic area to Hovea Falls is an easy 2km return walk.
- The Eagle View Walk Trail is a 15km loop trail. It is a challenging walk that has rewarding views.
